POLICE HORSE PROTECTION

HORSE CHEST PLATE

Technical Specifications

Article number; Rtg08

Product;

The Thigh guard 08 protects the thigh area from the front and sides against kicks, blows, hits from different attack weapons and thrown objects. There is a CPE MV LINER[®] inside the product. This liner gives good ventilation and is machine washable. The liner can be changed if needed. The product is designed to meet the impact protection required in VPAM KDIW from 2004 edition 2011 level W3.
